H&M

Job Vacancies: Retail Management Trainees

Employers will be looking for candidates who demonstrate natural leadership abilities, and those who exude confidence and air of authority. A management trainee will be expected to exhibit the qualities that the company's most successful managers possess. These qualities include: selfmotivation, resourcefulness, creativity, organization, attention to detail, and a commitment for excellence. Candidates with an outgoing personality and approachable demeanor will be chosen for management trainee positions more often because these qualities help them build successful relationships with both customers and employees.

Skill Requirements:

Although a management trainee program is designed to help you gain expertise, you will still need to possess certain fundamental skills to be considered for this position. Excellent communication skills are essential, including reading, writing, listening and speaking in the primary language used by the company and its customers

You must have a bachelor degree in any major with minimum GPA 3.00. basic organization, multitasking, and problem-solving skills will be needed along with the ability to work well under pressure and meet demanding deadlines. You will also need to bring basic computer, typing and mathematical skills with you to this job. Management trainees will need to be willing work early mornings, late nights, weekends, holidays and extended shifts. During your stint as a management trainee you may be transferred one or more times to different store locations and you will be expected to adapt to these new environments quickly and easily

If you're interested, you can submit your cv, resume and recent photograph to: career@hindo.co.id and cc to fazlin@binus.edu
