## **H & M**

### **Job Vacancies: Retail Management Trainee – RMT**

People chosen to participate in a retail management trainee program will receive the company specific training and on the job experience they need in retail industry. As a management trainee you will learn supervisory and technical skills that are alignment with the company philosophies and operational strategies. In this position you will gain the hard skills in operation and back-end that will position you for advancement in your retail career

#### **Qualifications for Management Trainees:**

Employers will be looking for candidates who demonstrate natural leadership abilities, and those who exude confidence and an air of authority. A management trainee will be expected to exhibit the qualities that the company's most successful managers possess

These qualities include: self-motivation, resourcefulness, creativity, organization, attention to detail, and a commitment to excellence. Candidates with outgoing personality and approachable demeanor will be chosen for management trainee positions more often because these qualities help them build successful relationship with both customers and employees

### **Skill Requirements**

Although a management trainee program is designed to help you gain expertise, you will need to possess certain fundamental skills to be considered for this position. Excellent communication skills are essential, including reading, writing, listening and speaking in the primary language used by the company and its customers

You must have a bachelor degree in any major with minimum GPA 3.00. basic organization, multi tasking, and problem solving skills will be needed along with the ability to work well under pressure and meet demanding deadlines. You will also need to bring basic computer, typing and mathematical skills with you to this job

### **Additional Requirements**

Management trainees will need to be willing to work early mornings, late nights, weekends, holidays and extended shifts. During your stint as a management trainee you may be transferred one or more times to different store locations and you will be expected to adapt to these new environments quickly and easily

**To apply this job, please submit your complete resume and recent photograph to: [career@hindo.co.id](mailto:career@hindo.co.id) and cc to [fazlin@binus.edu](mailto:fazlin@binus.edu)**
