COMMONWEALTH BANK

Graduate Development Program (GDP) is CommBank's most prominent trainee program, shaping young talents as the Bank's future leader. They will assist daily responsibilities and duties of managing a business and must accept delegated tasks from managers while enrolled in company sponsored training programs. They will be cross-trained in different departments to gain perspective on the overall operation of the company's front to back-end functions.

Attending training classes, lectures, presentations by guest speakers and taking tests are all part of the process of moving from the apprenticeship of management trainee to manager.

Who we seek?

- **A competent candidate must attend to these minimum requirements:**
- **Freshly graduated with Bachelor's degree or Master's degree in any major;**
- **Outstanding academic achievement with minimum GPA of 3.2 or equivalent;**
- **Highly sports in communities and campus extracurricular activities;**

- **Exceptional interpersonal and communication skills, customer focus, sound analytical skills and commitment to be a professional banker;**
- **Strong team players, high achievers, people oriented with a strong customer focus, keen to learn, effective problems solvers, proactive and prepared to initiate improvements;**
- **Highly proficient in written and spoken English.**

How to apply?

Keen candidates are welcomed to send the following:
