Account Manager, GrabAds ID

Get to know the Role:

As Account Manager for GrabAds Indonesia, you will manage a portfolio of GrabAds campaigns working with leading advertisers directly & through their media agencies. You will work alongside your team and maintain a quarterly performance target.

You'll work cross-functionally with the Ad Ops team to achieve campaign KPIs, recommend optimised campaign flows & identify opportunities for up-selling and cross-selling GrabAds solutions. Your goal is to grow your portfolio by building long term client relationships and providing positive customers experience.

The day-to-day activities

- Manage and grow a portfolio of accounts
- Be the point of contact for clients, provide necessary assets and info to Ad Ops for campaign implementation
- Track key campaign metrics and ensure campaign objectives are met
- Collaborate with Ad Ops team to analyse campaign performance, provide recommendations to clients and secure campaigns renewal
- Prepare Quarterly Business Review report for key accounts

The must haves:

- **3-4 years of account management experience in the digital advertising industry in Indonesia**
- **Solid track-record of delivering against performance targets**
- Proven experience of growing portfolio & building long term relationship with clients
- Excellent communication & presentation skills with ability to transmit across different level stakeholders
- Analytical with strong bias for data based decisions
- Team Player with the ability to work across a matrix environment in a fast paced environment
- Strong organisational skills with ability to manage multiple account

Head of Government Affairs

Job Description:

Job Overview

Head of Government Affairs will be responsible to oversee public affairs activities and engagement with territory/provincial level government, police, military across Indonesia. The role holder will ensure stable and conducive business environment, as well as in charge of building and managing public stakeholders at regional level. Head of Government Affairs will be an optimum contributor to the success of Grab business when he/she is able to ensure that Grab business can operate smoothly with no/minimum disruption from relevant stakeholders and with support and endorsement from local Government entities.

Responsibilities And Duties

- Design territory level engagement strategy through series of stakeholder & interest mapping.
- Prioritize initiatives based on assessment of business impacts
- Support the achievement of main OKRs from business such as growth, profitability and revenue uplift by advocating supportive policy
- Extend national flagship programs to hyperlocal initiatives
- Provide strategic guidance to PA Territory managers on effective engagement & professional growth
- Build and maintain relationships with regional stakeholders, including but not limited to Heads of Regional Government (Governor/Mayor), Heads of Transportation Bureaus, Regional Military and Key Police Officers.
- Collaborate with the overall PA Team for corporate objectives alignment, trouble-shooting, and communications purposes.

Qualifications And Skills

- Extensive regional network with Government entities, local authorities, military, police forces, and other crucial stakeholders in the designated area;
- Minimum of Bachelor's Degree from a reputational university. Master's would be an advantage
- Ability to build new relations and manage existing relations with Government officials;
- Ability to take initiative and work independently;
- Ability to clearly structure stakeholder & issue mapping and derive solutions.
- Ability to derive clear strategy from complex dynamics and win buy-ins from internal & external stakeholders.
- Good social and communications presence.
- Ability to perform well under pressure and tight deadlines;
- Previous experience working with Government or Government projects is an advantage.
